Nothing brings friends together like the time-honored tradition of food and fun, and there's plenty of that to go around on Carnival Imagination.

On Carnival Imagination, FUN is our reality. A ship designed to pay tribute to fantasy and ancient legends, its décor provides a timeless backdrop for modern-day cruise ship delight. But the legendary fun aboard this ship is more than surface-deep... it's also remarkably up-to-date. Among the vintage Carnival selection of bustling bars, laid-back lounges and cool-to-the-core clubs, you'll find some of the latest hotspots from across the fleet. Modern open-air legends RedFrog Rum Bar and BlueIguana Tequila Bar, for instance, have come to claim their place in history, as has Alchemy Bar with its borderline-magical cocktails and Guy's Burger Joint with its renowned eats designed by Guy Fieri. And BlueIguana Cantina with tacos and burritos made the classic way, of course: fresh and by hand.

There are lots of excursions and fun things to do in each port and onboard ship.

If we are able to get 10 staterooms booked they will even give us a better group discount and some special shipboard credits—usually about \$50. per stateroom. A deposit of only \$100. per person will hold your room and final payment 1 month before the cruise.

We can also work on getting a commuter bus to take us to the cruise ship terminal from San Diego.

BUT—we need to act fast and put down deposits to hold our rooms—these cruises fill up fast!
